

The Australian Border Leicester Association Inc

ABLA WELCOMES NEW SPONSOR

The Australian Border Leicester Association is pleased to announce it has just completed a sponsorship arrangement with WFI. This sponsorship is in the form of a commission on insurance taken with WFI by members. The ABLA looks forward to this being a rewarding association for both WFI and ourselves. A full announcement on this exciting development will be made soon. In the meantime anyone looking for more information on this please contact the secretary Ian Carr
