## WELCOME

Welcome to the Australian Border Leicester Association.

### THE BREED WITH A PROUD HISTORY AND A POSITIVE FUTURE

Over many years the Border Leicester has proved itself to be the number one maternal breed in Australia. First cross Border Merino ewes are sought after by leading lamb producers across the country because of their ability to produce large numbers of quality lambs, over a wide range of climatic conditions.

Through a mix of new and traditional methods our breeders will continue to keep the breed an important part of the lamb industry.
